

Adult Autism NW London Service Referral Eligibility & Links

CAAS will provide individual, practical executive function support for autistic adults without a learning disability over the age of 18.

This might be supporting someone to fill in a form, understand a letter and respond to it, make a phone call, find out where to get help or assistance, navigate statutory processes such as Care Act assessments as well as general support to help someone set goals and break the process down into smaller steps.

Monthly **Planning for Adulthood workshops** (14y+).

Monthly **Partners, Parents & Supporters online drop-in support group**.

Monthly **Autism Connect Forums** for professionals.

Deliver eight online **Understanding Autism Training** sessions for Professionals.
