Tilford Road  
Hindhead  
GU26 6TD

## About us:

We are a further educational setting which offers a meaningful gateway towards employability and independence for 19-25 year old SEND students.

Our unique offer leads students to develop as social entrepreneurs, bike mechanics and coffee industry professionals as well as gain industry recognised and vocational qualifications.

We are a social purpose organisation aligned with the future of the economy built around project delivery, equality and equitable communities.

## All applicants must:

- Have an EHCP
- Be aged 19 - 25 years
- Have achieved Entry 3 English and Maths
- Be an independent traveller
- Have relevant employment aspirations
- Demonstrate work ready behaviour

## Qualifications include:

Level 1 & 2 Food Safety & Hygiene  
Level 1 Award Exploring Enterprise  
Level 1 Award Hospitality & Catering  
(can build towards a Level 1 Certificate)

## Offer Structure:

**Year 1:** All students follow a tailored Pathways Enterprise Programme

**Year 2:** Students may continue their social enterprise OR move to a Supported Internship.

Student next steps may include apprenticeships or direct employment.

Our dynamic curriculum is different to traditional education. It includes:

### A Digital Social Enterprise Curriculum

- students develop a marketable product or business
- self-directed pace of learning
- face to face support and peer problem solving sessions integrated with digital content
- vocational qualifications

### An Industry Learning Curriculum

- indepth practical experience
- industry recognised qualifications with academic support
- builds employability skills and strong foundational industry knowledge

### A Personal and Professional Development Curriculum

- physiological and psychological development
- builds social and emotional maturity needed for good mental health and to flourish
