MY JOURNEY

‘Being involved in START was such an inspiring experience, I met so many different people, all of whom contributed to my growth and learning. I enjoyed how the games were really a gateway for us to use in our performance because it didn’t feel intimidating.

I haven’t acted since Primary School and having this taster reminded me just how much I love it. Now I see just how much fun it is and how many skills I’m learning.

Being involved in Lyric is one of the best decisions I could’ve ever made, I truly feel so grateful for everything the Lyric offers and has supported me with up to this point! Cheers to this and many more!!’
