Changing Lives - Creating Futures

Additional Learning Support

(16-24 year olds with an Education Health Care Plan)

Three reasons to choose our Additional Learning Support:

Individualised Support

We assess your needs and barriers to create an individual plan and service delivery to support you to find the right placement or progression opportunities.

Qualifications

Support in your vocational studies, plus English and mathematics, functional skills or GCSEs. You will also be offered the digital skills needed for the workplace.

Personal Support

One-to-one social support, inside and outside of the classroom, to ensure you are empowered to attain qualifications, develop personally and socially, and progress positively into adulthood and employment.

First Rung Learner

Testimonial

"I joined First Rung with an Education Health Care Plan and Entry Level qualifications. I wanted to get a job working with children, so in the last two years, I have passed my Level 1 qualifications in English, maths ICT, Early Years, and Customer Service. I have now progressed into working in a nursery 2 ½ days a week and hope to be starting my Level 2 Early Years apprenticeship soon."

Simeon Lynch-Prime
Early Years Trainee
