Changing Lives - Creating Futures

# Study Programme (16-18 yrs)

**\*Also available for 16-24 year olds with an Educational Health Care Plan**

## **Level 1:**

**Business Administration**

**Early Years/Health & Social Care**

**Get finance support while you train (based on eligibility)**

### **Three reasons to choose our Study Programme**

#### **Individualised Programme**

We tailor your programme to meet your individual goals. Including learning that helps you gain personal skills/qualities and work experience needed to secure employment.

#### **Additional Qualifications**

Support with English and mathematics functional skills or GCSEs. You will also be offered digital skills needed for the workplace.

#### **Individual Support & Guidance**

You will receive high quality advice and guidance throughout your time on the programme and get support in progressing to appropriate destinations such as an apprenticeship, employment, or further training/education.

First Rung Learner

## Testimonial

*"Since starting my apprenticeship, my confidence has significantly increased. I've gained hands-on experience that deepens my understanding of my role and industry. This opportunity has enhanced my skills, allowing me to engage better with colleagues and approach challenges with a proactive mindset that I continue to develop."*

Emily Wilde

Business Administration Apprentice
